70 SHEETS
WIDE RULED
1 Subject Notebook
10 1/2 x 8 in. (26.7 x 20.3 cm)

8:30am Official checker accidentally crossed
off voter as having voted in person
name: Michael S Gloss
525 River Valley Rd

10am Michael S Gloss came in to vote. 😊 All good.

Request for fluorescent duct-tape to
wrap around black pens.

Request for pre-printed "North of the Parkway"
and "South of the Parkway" signs.

Request for rubber-tip for fingertip to easily
separate ballots

12:33 Voter fell very hard at front entryway due
to wet floor. She sat for a while but
said she was "OK" and left.

Suggest to not ask Sheida Golchin back to work.
