Progress Narrative

During calendar year 2019, the College continued its efforts to fully implement the provisions of Connecticut Public Act 14-11, “An Act Concerning Sexual Assault, Stalking and Intimate Partner Violence on Campus”; the Federal “Violence Against Women Reauthorization Act of 2013”; and the new requirements of the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. Quinebaug Valley Community College is committed to fulfilling its duty under these laws to provide a safe environment for students, faculty, staff and visitors.

Building upon its 2018 efforts, the College has continued and strengthened its permanent compliance infrastructure. QVCC continues to partner with the Sexual Assault Crisis Center of Eastern Connecticut (SACCEC) to provide assistance, advocacy, emotional support and counseling to victims of sexual violence. The College also continues its partnership with United Services, Inc. to provide similar support services for victims of domestic violence. Both third party vendors provide services to victims with the highest level of confidentiality allowed under State and Federal laws. Support services at the third party vendors are accessible to victims by telephone hotlines on a 24/7 basis. Representatives from each vendor serve as members of QVCC’s Campus Resource Team and provide on campus training opportunities to QVCC students, faculty and staff (See attachments 1A and 1B for copies of the MOAs with each provider).

QVCC’s Campus Resource Team (CRT) continued to be active in 2019. The full CRT, including representatives from the third party providers and local law enforcement agencies, met four times in the spring semester and four times in the fall semester. (See attachment 2 for a CRT membership list).

During the spring semester, the team facilitated awareness training and programs. In April, CRT members promoted the Not Anymore online training to faculty through a Center for Teaching Lunch and Learn. Also in April, representatives from the Sexual Assault Crisis Center of CT were on campus at the beginning and end of the month to meet students and promote sexual assault awareness and resources for survivors. The CRT also participated in the "I ask" campaign with cardboard coffee sleeves in the cafeteria and a group coloring project for students.

At the first staff meeting of the fall semester, the College’s policies regarding proper procedures for handling student disclosures of sexual assault, intimate partner violence, and stalking, were reviewed with faculty and staff. Copies of the College’s current disclosure protocol, disclosure tracking forms, and a list of resources available to students were provided to all faculty and staff members. (See copies in attachment 3).
Additional team activities during the fall semester included a "Not Anymore" intro video and a "Be a Self Aware Student" presentation at new student orientation, two in person offerings of the Bystander Intervention Program, a month long Red Flag Campaign to make students aware of Domestic Violence with "Love Shouldn't Hurt" t-shirt giveaway as well as the continuation of the Not Anymore online training.

Most importantly CRT members were able to attend a number of training sessions under the auspices of the S.A.F.E. grant. This consortium grant was received by the CSCU system to reduce domestic violence, dating violence, sexual assault, and stalking. The grant has paid for a number of training sessions for CRT members during 2019. A list of the training sessions held in the calendar year of 2019 is attached.

Throughout the year, information about resources available to victims of sexual assault, domestic violence, and stalking was available on Campus Resource Boards and Rainbow Resource Boards on campus.

The College continued its partnership with a third party security firm to provide guards on campus from 7:00 a.m. until 10:00 p.m. The guards provide on-site patrolling as well as monitoring of the security camera system, responding to events as necessary. Our security guards are not armed. We rely on Troop D of the CT State Police to respond to serious incidents. We have an excellent relationship with Troop D and their station is located less than five minutes away.

QVCC is proud of its continuing progress during 2019 to comply with the requirements of PA 14-11 and look forward to updating the Legislature one year from now.

**Student-related Domestic and Sexual Violence Intervention Protocol**

When students communicate that they want to discuss domestic and/or sexual violence concerns with you (administrator, faculty, and/or staff), please follow these steps:

1. **Before a student shares details, please tell the student:**

   "I appreciate that you contacted me. Out of respect for you, I want you to know upfront that I am a mandated reporter. That means there are possible limits to what can remain private between us. If you indicate that you are going to hurt yourself, or someone else, we will need to include others in our conversation. This is to insure the safety and well-being of you and others."

   *If the student declines to discuss their concern any further, please offer them a resource list, encourage them to seek assistance from a listed resource, and let them know that you are willing to help them connect to an appropriate resource.

   **If the student decides to share details with you, proceed to #2.

2. **Let the student know what their options are:**

   a. Discuss their concerns with an administrator
   b. Seek medical evaluation and treatment if needed.
   c. Contact local law enforcement officials
   d. Contact local sexual and domestic violence support programs
   e. Do nothing at this time.

   *If you and the student are not sure what to do, contact an available administrator.

   **If an administrator is not immediately available, ask a campus security officer to contact an administrator.

3. **Document the student encounter by completing the domestic and sexual violence tracking form.**

   *This form should be completed by the administrator, faculty member, or staff member who last assisted the student with addressing their concern.

4. **Please submit all completed domestic and sexual violence tracking forms to Paul Martland**

A Sexual and Relationship Violence Prevention Workshop for Establishing a Community of Responsibility

Brainstorm on Bystander Responsibility

• What is a bystander?

• Are our ideas of bystanders positive or negative?

• Why?
Definitions

- **Bystanders** are individuals who witness emergencies, criminal events or situations that could lead to criminal events and by their presence may have the opportunity to provide assistance, do nothing, or contribute to the negative behavior.

- In the context of this program, *prosocial bystanders* are individuals whose behaviors intervene in ways that impact the outcome positively.
In February 2012, George Huguely was convicted of Second degree murder of his former girlfriend, Yeardley Love.

They were students at the University of Virginia when he killed her.
Where were the bystanders?
Bystander Research Confirms

RECOGNIZE SITUATION
• You must be aware of the problem and recognize the negative impact on the victim.\(^2\)

BEING ASKED
• Those who are asked and agree to help, are far more likely to intervene than those who are not asked.\(^3\)

ROLE MODEL
• People who witness prosocial interventions are more likely to effectively intervene in the future.\(^4\)

GROUP SIZE
• The more people are present, the lesser the likelihood of a bystander effectively intervening.\(^5\)
Samaritans Disrupt Alleged Rape in Progress
Oct. 29, 2007
By DAVID SCHOETZ

Five good Samaritans disrupted the alleged rape of a 22-year-old Oregon woman, chasing down and tackling the suspect until authorities arrived, police said.

Police in Salem, Ore., responded to a 911 call early Saturday morning from a young woman who reported that she and four friends had just confronted a man who appeared to be raping an unidentified woman along a busy road about three miles from the city's downtown.

When police arrived, they found a bloodied 37-year-old Paul Landingham being detained by three men and two women, all about 20 years old. They also discovered a woman who allegedly had been raped and physically assaulted by Landingham.

"It appears to be a complete stranger-on-stranger situation," Lt. Dave Okada told ABC News, adding that the alleged rape victim, already suffering from a leg injury that required that she use crutches, had been at a local tavern before being accosted on her walk home.

Katie Porter, 20, was among the five young adults traveling in a car that passed the crime scene outside an apartment complex. Both Landingham's and the woman's pants were pulled down, Porter said. While she initially thought the two might just be "drunk lovers," the group became suspicious and collectively decided to turn around for a closer look.
Tape tells how clerk set rescue in motion

By Raja Mishra

The woman was virtually silent, but her mouth conveyed hidden concern to liquor store clerk Susan Dixon. An advocate for battered women, Dixon immediately recognized that something was wrong Friday night at Bradford's Liquors in Plymouth. The woman, clutching a little boy, surreptitiously mouthed the word help to Dixon, as a man roared menacingly at the doorway. As soon as the three left, Dixon called 911.

"She was saying help, help, help," said Dixon calmly to the 911 operator, according to a tape of the conversation released yesterday by Plymouth police.

"I don't know if she's afraid of him or what's going on, but I couldn't get out of there," she said.

The 911 tape released yesterday captures the moment that saved the woman and her son from worse harm. Thanks to a liquor store clerk with the background that made her uniquely inclined to take the woman's hushed pleas seriously.

Dixon sees after the 911 call, Plymouth police would arrest Donald Dorrado, 50, at a nearby motel. He is charged with abduction and leaving the boy from a parking lot at a Framingham Wal-Mart Saturday night, then holding the boy at the gunpoint. Dixon told the police she probably saved his life.

Without her information, who knows what would have happened. It could have been even more horrific than it was. This guy obviously felt like he had nothing to lose."

Plymouth Police Capt. Michael Boffa

On Monday at about 6 p.m. Dorrado allegedly sought to purchase beer at Bradford's Liquors store but lacked identification. Three hours later, they returned. He acted as if the woman was in trouble working at the front door.

The woman claimed "help" to a customer, who called Dixon, said liquor store employee. Dorrado was accused of battering women with the South Shore Women's Center in Kingston. A brief and quiet exchange convinced her that the woman had been victimized.

She mouthed "help" and Pilgrim Sands store called her, "Why would that happen?" Dixon said. "When she wouldn't look at me, I knew she didn't want the man to see me."

But Dixon had no idea what was wrong.

"He was just a good man," she said. "I thought it was a woman in distress with her husband drinking."

Dixon said that she tried to delay the woman and the boy's departure with small talk about Christmas. But that she was clearly upset and did not want to talk.

Dixon immediately called 911. "She's with a guy, they're at Pilgrim Sands... and she's saying help."

Dixon told the 911 operator, "I don't know if he's doing something rude to her, harassing her, or whatever."

Within a minute, Plymouth police were on route to the motel about 1 1/2 miles from the liquor store.

Dixon was later honored by the story of brutality that the woman related to police. The next day, she visited the woman at Jordan Hospital.

"She zeroed in, she zeroed in. She hugged me for about 10 minutes," said Dixon. "I told her she was safe now."

Authorities praised Dixon's actions that night.

"Without her information, who knows what would have happened," said Captain Michael Boffa of the Plymouth police. "It could have been even more horrific than it was. This guy obviously felt like he had nothing to lose."

"Her observations were keen," Boffa said. "She acted exactly right."

Agreement Between
United Services, Domestic Violence Program and
Quinebaug Valley Community College

This Agreement is entered into by Domestic Violence Program, United Services, (United Services), and Quinebaug Valley Community College (hereinafter referred to as QVCC or the College). This Agreement formalizes the commitment of the parties to work together to provide trauma-informed services to student and employee victims of domestic violence and stalking and to improve the overall response to dating violence, domestic violence and stalking at QVCC. The parties share the goal of preventing dating violence, domestic violence and stalking on the campus and in the community and responding appropriately to students and employees who are victims of domestic violence and stalking. This agreement does not preclude United Services from entering into a “for payment” contract with QVCC.

Description of the Partner Organizations

United Services is a non-profit, community-based organization which offers a wide array of services designed to respond to the needs of domestic violence victims and their children throughout their journey to become free of abuse. Services are available to anyone who is a victim of domestic abuse, regardless of age, gender, sexual orientation, ethnicity, religion, economic status or disability. United Services provides free, confidential prevention and intervention services and support to include 24-hour hotline, emergency safe housing, risk assessment, counseling, court-based victim advocacy, information and referral.

QVCC was founded in 1971 and serves approximately 2000 for-credit students and 1500 non-credit students, and employs over 100 faculty and staff members. Its mission is to provide innovative educational, social, and cultural opportunities in a welcoming and supportive environment. In line with this mission, QVCC enforces Title IX of the Education Amendment of 1972 which prohibits acts of sexual misconduct (sexual harassment, sexual assault, dating violence, domestic violence and stalking) at educational institutions and has created a Campus Resource Team and a Campus response Team, multidisciplinary teams of professionals devoted to ensuring a comprehensive, coordinated, effective response to issues of sexual misconduct.

History of Collaboration

QVCC and United Services have collaborated for many years to provide information to students about dating violence, domestic violence and stalking and to organize educational programs for students at QVCC. This Agreement builds on the previous collaboration to provide services to victims and training to additional university officials as resources and capacity allow.

The Role of United Services

United Services agrees to:

A. Appoint a qualified staff member to focus on making services accessible to and appropriate for students and employees referred by QVCC.
B. Appoint a qualified staff member to serve as a liaison with QVCC's Campus Resource Team.

C. Continue to make 24-hour domestic violence hotline numbers available in both English and Spanish to students and employees of QVCC.

D. Provide confidential crisis intervention, counseling, information and referral, and legal advocacy as requested by students and employees.

E. Provide students and employees of QVCC with information on reporting options, including how to file a complaint with QVCC, how to report a crime to campus officials, and how to report a crime to the appropriate law enforcement organization. United Services will also offer to assist the student or employee throughout the process.

F. Where feasible, United Services will provide QVCC with aggregate data periodically, such as on a semester or academic year basis, regarding incidents of domestic/dating violence and stalking to assist QVCC in identifying patterns or systemic problems related to domestic/dating violence and stalking that may exist at QVCC. No identifying information will be provided.

G. Meet regularly with QVCC's Campus Resource Team. At these meetings United Services will:
   • share information about the needs of victims and trends in dating violence, domestic violence and stalking,
   • discuss services provided by United Services, and additional services that may be needed by students and employees of QVCC.
   • discuss the effectiveness of QVCC's dating violence, domestic violence and stalking prevention and response programs.

H. In coordination with QVCC, the staff at the Board of Regents for Higher Education and the Connecticut Coalition Against Domestic Violence (CCADV), provide training opportunities to QVCC student services staff and other employees and college officials involved in student conduct proceedings. Topics of these training sessions may include:
   • incidence and prevalence of dating violence, domestic violence and stalking
   • types of dating violence, domestic violence and stalking
   • the effects of dating violence, domestic violence and stalking on victims
   • the crimes of family violence and stalking
   • orders of protection
   • the neurobiology of trauma as it relates to victims
   • safety planning and appropriate methods for interviewing and communication with victims.

I. Assist QVCC with the development and provision of prevention and training to
students, employees and college officials.

J. Participate, where feasible, on QVCC's Campus Resource Team and/or other coordinated team efforts, as deemed appropriate.

**The Role of Quinebaug Valley Community College**

QVCC agrees to:

A. Appoint a member of the Campus Resource Team to serve as the liaison with United Services.

B. Provide training to United Services staff about on-campus resources that are available to student and employee victims of intimate partner violence and stalking; the federal and state requirements for colleges in responding to dating violence, domestic violence and stalking; reporting procedures for victims who wish to file a report with campus security and/or a complaint with QVCC officials; the student code of conduct and disciplinary process; and the educational accommodations that can be provided to victims of domestic violence.

C. Provide printed and online materials about reporting options for students and employees, including information about how to file a complaint with QVCC and how to report a crime to the law enforcement agency with the appropriate jurisdiction.

D. Inform United Services about the reporting obligations of QVCC employees and identify those school employees with whom students can speak confidentially (and any exceptions to that confidentiality.)

E. Inform United Services about QVCC's prohibitions on retaliation, how allegations of retaliation can be reported, and what protections are available for students and employees who experience retaliation.

F. Ensure availability of the Campus Resource Team Coordinator to meet regularly with United Services.

G. Collaborate with United Services on prevention approaches and activities.

H. Conduct victim satisfaction surveys or use other methods to assess the effectiveness of the services provided to students and employees.

I. Ensure meeting space is available, upon request, for CCADV staff to meet students and employees.

**Confidentiality**

United Services and QVCC affirm the importance of providing students and employees with options for confidential services and support. All services provided by United Services to students and employees of QVCC will be kept confidential except in the
following circumstances:

A. If the student or employee wants information shared with the law enforcement agency with the appropriate jurisdiction, United Services will obtain informed consent for release of information. When releases of information are required, they will be written, informed, and reasonably time-limited.

B. QVCC is committed to maintaining the privacy of student record information, consistent with the law, especially with respect to matters pertaining to sexual violence. The Family Educational Rights and Privacy Act (FERPA) requires that the QVCC not provide access to or disclose personally identifiable student information maintained in QVCC records without the prior written consent of the student, unless access or disclosure is permitted or required pursuant to the limited provisions of FERPA that permits access or disclosure to such information without the student’s prior written consent.

C. The privacy of victims shall be protected. The victim’s identity shall not be disclosed to the general public without the consent of the victim or as required by law.

D. If the federal or state law requires disclosure because there is an imminent risk of harm to self or others, QVCC’s Title IX Coordinator will determine: 1) who will be notified; 2) in what form; 3) what information will be provided to the victim regarding this disclosure; and, 4) what steps will be taken to protect the victim from the imminent risk.

**Term of This Agreement**

This agreement shall be in force from July 1, 2018 through June 30, 2020.
