Listening Sessions>>>>>>><<<<<<<<Dialogues

Suggestion: Hold additional listening sessions for the rest of 2020 (start with youth) and plan to hold some dialogues after January 1 (planning can begin now).

## **In-Person or Virtual?**

Suggestion: Plan for both but be prepared for the likelihood that in-person sessions will not be safe for some time.

**Focused conversations with specific individuals or groups.**

Suggestion: Proceed now to hold a few of these focused conversations.
